WILDERNESS FIRST AID BASICS

The Gamehaven Council of the Boy Scouts of America in partnership with the Southeast Minnesota Chapter of the American Red Cross is offering

Wilderness First Aid Basics

Friday, March 12, 2010 6:30 pm to 10:00 pm, and
Saturday, March 13, 2010 8:30 am to 10:00 pm

Class will be held at Deer Lodge (aka "Shelter 2"), Gamehaven Scout Reservation

Philmont Scout Ranch, Double H Ranch, and the Northern Tier National High Adventure Program now require that, *"one person, preferably two (either an advisor or a youth participant) be currently certified in Wilderness First Aid or its equivalent and in CPR from the American Heart Association or the American Red Cross or an equivalent."*

Wilderness First Aid Basics prepares a person to handle immediate medical emergencies in situations where the victim may be more than half an hour from advanced medical care such as an ambulance or paramedics. Although it is developed with High Adventure programs in mind, it also applies to rural situations that are at a distance from advanced medical care. This course does not include CPR training.

This course is open to anyone **15** years of age or older (students under 21 must have signed parental permission to attend) and is open to anyone in the community. To successfully complete the class, a student must attend both days, participate fully in all class activities, and pass a written test at the end of the course. Passing students will be certified for three years.

The cost of this class is $55.00, payable to Gamehaven Council, BSA. Class size limit is 12 students. Payments must be turned in with registrations. Registration deadline is Friday, March 5, 2010 by 4:00 pm. If there is not a minimum of 8 registered students by this time, class **will** be cancelled. There will be absolutely no registrations for class accepted after the registration deadline. In the event there are more than 12 students registering for this class, we will take a waiting list.
